

ARTE

Inspired by *Travertine* marble, ARTE emulates the porous limestone used for centuries in the worlds of building and architecture. Its longitudinal veins are enriched by their different intermingling shades of colour, bringing a warm, restful feel to settings. ARTE comes in a choice of three different colours —Cloud, Desert and Mocha— in a 100x275 cm, 100x180 cm, 100x100 cm, 75.5x151 cm or 60x120 cm format, together with a 50x150 cm 4D WALL tile model. The collection also features a choice of a Shaped, Polished and All in One finish, in addition to a 20 mm-thick non-slip outdoor model in 100x100 cm and 50x100 cm formats.
