

OD

OD interprets *oak wood* in outstanding style. Each pattern reflects oak's beauty and unique texture, with its characteristic knots and veins and a natural realism second to none.

The collection comes in a choice of six warm colours: Greige, Taupe, Honey, Kalua, Porto and Ebony.

OD comes in a 24x151 cm format in an All in One finish, bringing seamless continuity to design projects, where it can be used both indoors and out. It also features a 33.3x100 cm format for walls, which can be laid both vertically and horizontally, available in two combinations of different colours. Additionally, the new 100x275 cm format in Shaped finish is introduced, available only in the color Kalua, which is ideal to create cozy spaces that require the precious touch of natural warmth so valued in interior design.
